Price Increase Notice

Please note that your bill for the period ending 21 April 2026 is £23.90 (22.2%) higher than the previous month (20 Feb – 22 Mar 2026). This increase reflects the revised unit rates effective from the current quarter as published by LondonPower plc in accordance with Ofgem's energy price cap adjustment. If you believe this charge is incorrect, please contact our billing team within 14 days.

Payment Information

Payment is due within 14 days of this bill date. Direct debit customers will be debited on 10 May 2026. To update your payment method or set up a payment plan, please log in to your online account or call our customer services team.
