Address:	101, London Road, West London, EC90 09A, United Kingdom
Date Issued:	26 April 2026
Issuing Organisation:	BrightFibre Home
Subject:	Broadband Upgrade Confirmation

Notice Content

Dear Alex Taylor,

We are pleased to confirm your recent upgrade to our Ultrafast 500Mbps broadband package, effective from the date of this notice. Your new monthly charge of £32.00 will appear on your next bill. A new router will be dispatched within 3 working days. Installation is self-service; full instructions are included in the box.

This document was added to the Steward/Inbox folder during an active monitoring session to verify that the monitoring loop detects and processes new files within a single cycle (not just at startup).
