Price Rise Clause — Notice to Customer

In accordance with Clause 11 of your agreement, O2 has applied a mid-contract price increase of 3.9% effective from 1 April 2024. Your new monthly charge is **£39.48**. Under Ofcom guidance, customers who joined before 17 May 2023 may have the right to exit this contract without penalty if this price rise was not explicitly disclosed at point of sale. Please refer to Ofcom's published exit rights guidance or contact O2 to discuss your options.

Contract Terms Summary

This agreement is governed by O2's standard terms and conditions (available at o2.co.uk/terms). The customer agrees to pay all charges monthly by direct debit. This contract renews automatically on **04 May 2026 — only 8 days from the date of this document** — for a further 18-month term unless cancelled in writing with 30 days' notice. Early termination charges apply equal to the remaining monthly instalments. Coverage is subject to network availability.

Early Termination / Exit Rights

If you wish to exit this contract due to the price increase, you must notify O2 before 04 May 2026. Customers exercising Ofcom exit rights are entitled to a PAC code to transfer their number at no cost. Draft exit letter available via the Steward inbox.
